THE INCOSE CHESAPEAKE CHAPTER BOARD OF DIRECTORS WELCOME YOU
TO OUR ANNUAL
*Holiday Party
and Awards Ceremony*

THE ENGINEERS CLUB
AT THE GARRETT-JACOBS MANSION
Baltimore, Maryland

Friday, December 16, 2022

Reception starts at 5:30 P.M.
Dinner starts at 7:00 P.M.

The Legacy Continues..... 28 Years of Service

Welcome to the Chesapeake Chapter's Annual Holiday Party and Awards Ceremony.

We are celebrating member achievements as well as those who have helped us realize INCOSE's mission to provide members with a wealth of systems engineering knowledge. It has been a wonderful year of presentations, training, and networking.

Program Schedule

Master of Ceremony: Dr. David Flanigan

5:30 Reception and Cocktail Hour

Opportunity to socialize & network with colleagues, peers and friends

7:00 Dinner

7:10 Welcoming Remarks

INCOSE-CC's 28th Anniversary – our enduring legacy

7:55 Guest Speakers

Courtney Wright - INCOSE Certification Prog Mgr.

Andrew Merkle, Ph.D. - Johns Hopkins Whiting School of Engineering
Program Chair, Systems Engineering

8:25 Award & SEP Recognition

9:30 Closing Adjourn

Cash Bar on Lower-Level at 9:30 PM

2022 Board of Directors

President – David Flanigan, CSEP

President-Elect – Steven Biemer, CSEP

Past President - Jeff Berlet, ESEP

Treasurer – John Boccio, ESEP

Secretary – Jennifer Rainey, CSEP

Communications Director - Michael Anderson, CSEP

Membership Director - Mark Kaczmarek, ASEP

Programs Director (Acting) - Clinton Hilliard, CSEP

The Legacy Continues. 28Years of Service

A dark-themed advertisement for Peraton's cybersecurity services. The background features a complex, glowing blue and orange digital network structure. The Peraton logo is in the top right corner. The main headline reads "INVISIBLE THREATS WON'T TAKE A DAY OFF — AND NEITHER DOES OUR APPROACH TO CYBERSECURITY." Below this, a paragraph states: "In today's world, cybersecurity is not optional. Cyber risk is everywhere, but it can't stand in the way of the mission. We apply cybersecurity measures at every level of our solutions — from the data, to the network, to the actual systems and platforms so that they can withstand, deter, and defeat the invisible threats they will encounter." The website "peraton.com/cyber" is listed at the bottom left, and the slogan "DO THE CAN'T BE DONE." is at the bottom right.

Peraton

INVISIBLE THREATS WON'T TAKE A DAY OFF — AND NEITHER DOES OUR APPROACH TO CYBERSECURITY.

In today's world, cybersecurity is not optional. Cyber risk is everywhere, but it can't stand in the way of the mission. We apply cybersecurity measures at every level of our solutions — from the data, to the network, to the actual systems and platforms so that they can withstand, deter, and defeat the invisible threats they will encounter.

Dinner Lecture

Jan 18th: 2023 Kickoff

Dr. Steve Biemer, *CSEP, President-2023, INCOSE Chesapeake Chapter*

Dinner Lecture

Feb 15th: INCOSE Certification

Courtney Wright, *CSEP, INCOSE SE Professional Certification Program Manager*

Dinner Lecture

March 15th: Engineering a Better Tomorrow: SE Vision 2035 and Beyond

David Long, *ESEP, President Blue Holon, INCOSE Fellow, INCOSE Past President*

INCOSE Members and Guests,

The INCOSE Chesapeake Chapter Board of Directors wishes to thank our corporate sponsors, industry partners, lecturers, and volunteers for supporting the Chapter throughout the year. We extend a special note of gratitude to all that were engaged this year through our virtual and hybrid events. With your support, we continue to offer a number of systems engineering programs to our membership and the engineering community. This year we hosted lectures and training sessions on topics of interest requested by our membership, and we had our first live social event at TopGolf! We supported a number of Science, Technology, Engineering and Math (STEM) programs including local public-school science fairs by providing judges and cash awards.

We are proud to have re-instated the Chapter STEM Scholarship and look forward to announcing the winner at tonight's event. We look forward to re-engaging the membership with additional live interaction in next years events!

This year marks the 28th anniversary of our founding. To honor the many members who have contributed to our success over the years, we have made available on our website photographs and videos of many past events to include our annual SEP Awards Ceremony and the Holiday Party. We also maintain the INCOSE Chesapeake section on YouTube where most of our formal presentations are conveniently available to the public.

We are proud to have served the membership and grateful for your support, whether it was a commitment of your valuable time, sponsorship, or donation. Without your dedication our chapter would not be successful and recognized by INCOSE International as one of the top chapters in the world.

We sincerely wish everyone a Joyous Holiday Season!
The INCOSE Chesapeake Board of Directors

Champions and Practitioners of Systems Engineering

Chesapeake Chapter Past Presidents and International

Chapter Awards

President	Year	Award
Jeffrey L. Berlet, ESEP	2021	Platinum
Mark R. Evans, ASEP	2020	Platinum and President's Good Neighbor Awards
Taras A. Mykytyn, ESEP	2019	Platinum and President's Platinum and President's Outstanding Chapter Awards
Dr. Grace Crowder, ASEP	2018	Platinum
Michael Pafford, CSEP	2017	Platinum
Ellie Gianni, ESEP	2016	Platinum
George Anderson, ESEP	2015	Platinum
Erik DeVito, CSEP	2014	Gold and President's Award for Outstanding Chapter
Dr. William Ewald	2013	Gold
Dr. Donald York, ESEP	2012	
Dr. John Lewis	2011	
George Anderson, ESEP	2010	Gold and Directors Award for Most Improved Chapter
Glen Towson	2009	Silver
Tony Gigioli, CSEP	2008	Gold
Carol Hutchinson	2007	Gold
Robert Levin	2006	Gold and President's Award for Outstanding Chapter
John Thomas, ESEP (<i>INCOSE International Past President</i>)	2005	Gold
Dr. Joseph Carl	2004	Gold
Jim Chism	2003	Gold
Stephen Sutton, ESEP	2002	Silver and Director's Award for Most Improved Chapter
P. Jerry Woodall	2001	Bronze
L. Mark Walker, ESEP	2000	

SYSTEMS ENGINEERING

ENGINEERING FOR PROFESSIONALS

Elevate your career! Earn a master's degree or post-master's or graduate certificate in Systems Engineering from Johns Hopkins Engineering for Professionals, one of the nation's top online and part-time programs for working engineers.

We've designed a rigorous learning experience to give you the edge and insight you need to excel in your career. Experienced faculty incorporate projects that address real-world issues in the field today.

Chesapeake Chapter Purpose and Goals

The purpose of the Chesapeake Chapter is to foster the understanding, principles and practice of world-class systems engineering in industry, academia, and government. The Chapter provides a focal point for dissemination of systems engineering knowledge, and information, partnering with the International Council on Systems Engineering, to:

- Assure the existence of professional standards for the practice of systems engineering;
- Improve the professional status of all persons engaged in the practice of systems engineering;
- Encourage governmental and industrial collaboration and support for research and educational programs that will improve the systems engineering process and its practice; and
- Promote the acquisition and exchange of information on new technology, methods, and practices within the systems engineering community.

Help your Systems Engineers
get their SEP Certification

We're the only training provider offering an entire
INCOSE SEP Exam Preparation course **on-line** so your
SEs can **study at their own pace** and in their own
timeframe.

2022 Awardees and Recognitions

Awards Presenters: David Flanigan, CSEP, President 2022 | Steven Biemer, President-Elect 2022

The Chesapeake Chapter's Booster Donation to the INCOSE Foundation

- Recipient: Dr. John Snoderly, INCOSE Foundation Chairman/ Past President INCOSE International

Programs and Events Champions

Nominated by Programs Director – Clinton Hilliard, CSEP

Awardees:

- Mike Ali
- Dave Alldredge, ESEP
- Taras Mykytyn, ESEP
- Deborah Harris, CSEP
- Dave Fadeley, ESEP
- Mark Kaczmarek, ASEP
- Josephine Podolsky, CSEP
- Jim Campbell, ASEP
- Jim DeCamp, ASEP
- Rosemary Kioko

Communications and Information Technology

Nominated by Communications Director – Michael Anderson, CSEP

Awardees:

- Paul Martin, ESEP

Programs Support

Nominated by Programs Director – Clinton Hilliard, CSEP

Awardees:

- Johns Hopkins University Applied Physics Laboratory:
- Andrew Merkle
 - Annie Cranston
 - Christine Krider
 - William "Bill" Kaplan
 - Mitch Fritsch
 - David Soisson
- University of Maryland, Baltimore County
- Kayla Childress
 - Faith Dinh
 - Toby Grouker

Corporate Sponsors and Partners

Nominated by President – David Flanigan, CSEP

Awardees:

- Johns Hopkins Whiting School of Engineering
- Peraton
- Planet Works
- MetaTech Consulting, Inc
- SE Scholar
- UMBC
- Systems Strategies & Analysis

Youth STEM Outreach

Nominated by YSOC Committee Chair - Clinton Hilliard, CSEP | YSOC Committee

Awardees:

- Jim Campbell, ASEP
- Deborah Harris, CSEP
- Jim DeCamp, ASEP
- Gary Wieboldt, ESEP
- Josephine Podolsky, CSEP
- Taras Mykytyn, ESEP

Recognition Of New Systems Engineering Professionals (SEP)

Presented by President – David Flanigan, CSEP

ESEP Awardees:

- Donald M. York

ASEP Awardees:

- Arthur R Croucher
- Sara Ghaffari
- Hannah W. McLaurin
- Justin Yost

CSEP Awardees:

- Lionel Antognelli
- Nykia J. Brooks
- Max Cassell
- Kenneth Corl
- Benjamin T. Dorsman
- Veejay Gorospe
- Kim Miller
- Adam Morris
- Michael Samsel
- Jason Vining

Outgoing Chapter Board Members Service Award

Nominated by President – David Flanigan, CSEP

Awardees:

- Jeffrey Berlet, ESEP, President-Elect 2020 / President 2021 / Past President 2022
- John Boccio, ESEP, Treasurer 2021 - 2022
- Mike Anderson, CSEP, Communications 2021-2022

Special Recognition

Nominated by President – David Flanigan, CSEP

Awardees:

- Clinton Hilliard, CSEP, acting Programs Director 2022

Chesapeake Chapter STEM Winner

Awardees:

- Jasmin Azan
